

Dear Member,

On June 7, 2014 , approximately 30,000 people will all gather together for one reason: to end breast cancer forever. The net proceeds from the Komen Detroit Race for the Cure® will support local breast cancer screening, education and treatment support programs and breast cancer research being done around the world.

We do this in memory/support of family and friends of dental professionals who have conquered or succumbed to the disease. But especially this year we dedicate our walk to Laurie Sanko, RDH, BS who is a faculty member at UDM and was diagnosed last January. The students beg you to come walk with us in support of Laurie!!

For the past few years hygienist from round the area have joined together to help the cause. The SADHA for the University of Detroit Mercy invite you to join our group and walk with our team. This year our team, "**Sanko's Scalars**" will again be a proud supporter. We continue to invite all of you to join us at Chene Park for this 5K Race/Walk. Together, we hope to have 100 hygienist (or friends) walk for the cause. We will have lots of fun. This is a community that all dental hygienists need to continue to be part of! If you register by February 7<sup>th</sup> the fee is only \$25.00! But hurry up the last day to register is May 20<sup>th</sup>.

Please take a moment to follow the link below register for our team on the webpage at <http://www.karmanoscancer.org/KomenDetroit/registration.aspx> and join us! See the next page for more info as well.

Thank you for supporting our continuing journey. Please contact me with any questions about the Komen Detroit Race for the Cure® and check out the website: I can be reached at 734-775-4013 or email me at: [buehnemj@udmercy.edu](mailto:buehnemj@udmercy.edu)

Sincerely,
