

**Congratulations ADHA on 100 years  
1923-2023**

ADHA annual conference 2023

If you missed it, here is a brief ADHA 2023 annual conference recap.

**Opening General Session:**

Erin Brockovich environmental activist was the motivational speaker for the opening session. She spoke about finding your passion and following through on your beliefs.

**CE Classes:**

The majority of classes focus on preventing oral diseases as well as recognizing and addressing overall health. Our commitment is to provide quality dental care and to influence dental-medical integration and other areas that enhance oral health and reduce the burden of infection and disease.

**Evening Events:**

- Exhibit Hall Happy Hour- Grab a friend, a drink, and a sneak peek at ADHA 23 Exhibit Hall before the big day.
- Cheers to 100 years COHA/ ADHA Welcome reception- Rooftop reception at Navy Pier in Chicago. This centennial Celebration recognizes the 100 years of commitment, hard work, and dedication from the RDH community, we ate, drank, and danced, and celebrated US!
- An Evening for Healers and Changemakers- TAO Chicago is one of the city's most sought-after entertainment venues, we enjoyed pan-Asian hors d'oeuvres and desserts and dance to the tunes of DJ Elijah Desmond.

Networking with other hygienists from around the country is a great advantage of participating in the annual ADHA conference.

Over the last 100 years, ADHA has worked hard to advance our profession; we look forward to what the next 100 years will bring.

I would like to extend a special thanks to the sponsors that make this event special.

A Special Thanks to all my MICHIGAN peeps for always making this event so much FUN!
